

eDocs Service Disclosure and Agreement

Electronic Documents Disclosure and Agreement:

Before you enroll in or access our Electronic Statement and Notice Service ("eDocs Service"), the Electronic Signatures in Global and National Commerce Act (ESIGN) and other laws and regulations require us to obtain your consent to electronic delivery of your periodic account statements, account notices, and associated disclosures required under Federal and/or State laws or regulations. **Please read this eDocs Disclosure and Agreement carefully and save or print a copy for your records.**

Definitions: The words "we", "us", and "our" refer to Peoples Trust Company, and the words "you" and "your" mean you, the individual(s) or entity who is identified on the Account as the owner or authorized signer or authorized representative(s) appointed or entitled by you through online or mobile banking shared access on the Accounts. As used in this Disclosure and Agreement, "Account" means the accounts, products or services you have with us. "eDocs" means Account Communications including any customer agreements or amendments thereto, periodic billing statements, periodic account statements and notices, tax statements, disclosures, notices, privacy policies and all other information related to the Account, including but not limited to information we are required by law to provide to you in writing or notices we provide to you as a convenience.

1. Consent to Receive eDocs:

By choosing to enroll for eDocs from Peoples Trust Company, you consent for us to provide for electronic delivery of Account communications that are required by Federal and/or State laws and regulations and for other notices that we provide for your convenience and not because they are required. Examples of required disclosures and notices include your periodic statements, Electronic Funds Transfer Notice, Your Billing Error Rights, changes in account terms and fees disclosures. Convenience notices include such items as overdraft notices and loan payment reminders.

The same terms apply with respect to electronically delivered bank statements as for those delivered in paper form. Account agreements and disclosures that you have previously received from Peoples Trust Company remain in effect.

Scope of eDocs to be provided in Electronic Form:

When you select "I Accept", you are consenting that we may provide you with any communications relating to the accounts selected for electronic delivery that we now provide to you in printed form via postal delivery in electronic form, to all terms and conditions of this agreement, and that we will no longer send a paper copy unless you request it. Your electronic documents will contain the same content as the paper version supplied by the Bank.

You are also consenting to receive notice of future changes to deposit agreements and disclosures via electronic communication. Disclosures such as your Privacy and Error Resolution Notices are also available to you in Peoples Trust Company's Online Banking (www.ptcvt.com) by selecting the Disclosures button. You acknowledge and consent that account communications currently only available via postal delivery may be converted to electronic delivery in the future. Your consent will continue to be effective until such time you cancel or withdraw it as outlined in section 3 of this agreement or the Bank elects to revoke it.

2. Providing Communication to You in Electronic Form

We will be sending, to your email address, a notice that an eDoc is available for viewing along with instructions on how to access your eDocs. You agree to maintain an active email address for electronic notification purposes. You must keep us informed of any changes to your email address. In the event that we are unable to deliver the email message notifying you that your eDoc is now available, we will take reasonable steps to validate the email address provided to Peoples Trust Company.
